Weight: 77Kg / 170 lbs.

## H800: Upright Bike SK8000

● Two monitor option:

1 **Smart Focus Monitor TFT capacitive Touch Screen of 16 "HD**, besides of showing the evolution and training information (Speed, Time / Distance (km) Calories / Incline, Pulsation in watts, resistance, pulse, etc.), allows full connectivity to social networks, internet, television and applications thanks to the FitFeel interface that provides the fastest touchscreen technology of the market. With Smart Focus you can also customize the monitor, interact with users and customize workouts thanks to its Log in system for each user where they can save all the information of their workouts.

- USB port.
- Smartphones and iPods compatibility.
- Bluetooth Connectivity.
- CSAFE port.

2 **LED Monitor: DOT MATRIX screen with top LED window** that graphically displays the progress of the exercise. The bottom alphanumeric display gives the user instructions before and during the exercise. The 4 LED windows at the very bottom simultaneously show information for Speed, Time/Distance, Calories/Tilt and Pulse rate.
