

The RS900 multimedia is the perfect machine for users who want a complete workout at home. With up to 22 km/h, a 15% electrical incline and a 55 cm running surface, this treadmill also includes a 16" touch screen with multimedia access and Bluetooth FTMS to make your running sessions more entertaining and motivating.

- Speed: 1-22Km/h
- Running surface: 150x55cm

16" TOUCHSCREEN CONSOLE

The RS900 Multimedia includes a touchscreen console that allows viewing of multimedia content, Internet, Netflix, etc.

I.CONCEPT 3.0 FTMS

It incorporates the new connectivity system with FTMS protocol that allows greater compatibility with the most recognised fitness apps, such as Zwift or Kinomap among many others.

MP3 CONNECTION AND BUILT-IN SPEAKERS

Connect your MP3 player, phone or tablet via cable or Bluetooth to listen to music during your training through its built-in speakers.

PRO DAMPING SYSTEM

With 6 high-density elatomers that distribute the vibration of impact, reducing noise and generating great comfort for feet and joints.
