

# TFB SERIES

TFB MULTIMEDIA H863TFT

P.V.P.

Exercise bikes

Reinforced exercise bike with open frame for easy access, 10" touch screen and 16 preset training modes. Thanks to its multimedia monitor, you can access integrated apps such as Netflix, Youtube, Disney+... as well as screen mirroring and Bluetooth FTMS connectivity.

Monitor

### Measurements:

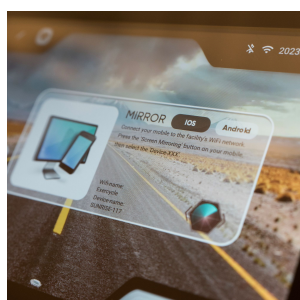

Time, Speed, Distance, Watts, Calories, Pulse

- Max. user weight: 130Kg
- Weight: 53Kg
- Dimensions: 130cm x 62cm x 156cm
- Flywheel: eq. 14Kg

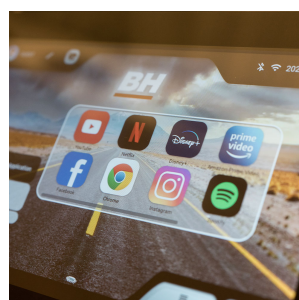

### OPEN FRAME

It provides easy access to the machine, ideal for rehabilitation purposes.

### SCREEN MIRRORING

Duplicate the screen of a smartphone or tablet, whether Android or iOS, on the TFB Multimedia monitor, thanks to the mirroring system.

### 10" MULTIMEDIA MONITOR

Includes Bluetooth FTMS for compatibility with apps such as Zwift or Kinomap. Allows you to view multimedia content (Internet, Netflix, Spotify...) and connect headphones, chest straps or Smart Watches.

### TRAINING MODES

16 preset training modes with the option to customize and save new programs created by the user.
